Advisory for maintaining COVID norms for starting of offline classes in the Universities and Colleges

1. ISSUES TO BE TACKLED:

- I. Maintenance of social distancing norms in Campus, Play ground, Library and Laboratory, Classrooms and Hostels.
- II. Regular Monitoring of Health
- III. Sensitization of Students, Teachers and Staff
- IV. Safety Measures at Entry/ Exit Point(s) and inside the campus

2. STAKE HOLDERS:

- I. Students
- II. Teachers
- III. Non-teaching staff

3. INSTITUTIONAL PLANNING FOR COVID SAFETY NORMS

- i. The institutions should train their teachers/staff on COVID safety norms.
- ii. Students should be allowed in campuses only after thermal scanning, sanitization of their hands, wearing of face masks. Symptomatic persons should not be permitted to enter the campus and should be advised to contact the nearest hospital for clinical assessment.
- iii. To avoid the risk of transmission, the students, faculty and staff should be screened and symptomatic ones be advised to get clinically assessed before allowing them entry into the campus.
- iv. Isolation facilities for symptomatic persons and quarantine facilities for those who were in contact with the positively tested persons should be there on campus or a tie-up may be made in advance with some Government hospital or

approved premises or as advised by the local authorities so that, in case of necessity, prompt action may be taken. Proper arrangement of safety, health, food, water etc. should be ensured for those in quarantine and isolation facilities.

- v. Universities and colleges should prepare a policy for restricting the outsiders on campuses, study tours, field works etc., keeping in mind the COVID-19 situation.
- vi. All such programmes and extracurricular activities should be avoided where Social distancing is not possible.
- vii. Clean and hygienic conditions, as per safety and health advisories of the concerned government departments, are to be maintained at all places, including hostel kitchens, mess, washrooms, libraries, class rooms etc.
- viii. Proper signages, symbols, posters etc. should be prominently displayed at appropriate places to remind the students, faculty and staff for maintaining Social distancing. The details of COVID-19 cell established by the institution be prominently displayed containing the emergency number, helpline number, email id and contact details of persons to be contacted in case of any emergency in the institution.
- ix. Ensure the norms of Social distancing, sanitization and hygienic conditions for use of common facilities, viz., Library, Auditorium, Conference/ Seminar halls, Sports, Gymnasium, Canteen, Parking Area etc.
- x. The institutions must ensure appropriate sanitization and disinfection process and procedures.
- xi. There should be multiple sanitizer-station at different places in the Institution.
- xii. The institution must provide sufficient amount of sanitizer, sanitizer-sprayer,

soap, disinfectant etc. to each department.

- xiii. The faculty, student, staff should be screened regularly to protect and avoid infecting one another.
- xiv. The visitors should either not be allowed at all or their entry should be drastically restricted. The conditions of the entry for visitors should be strictly laid down and displayed on the entry point(s). Complete contact details of the visitors be maintained along with the names of persons whom he/ she meets.

4. SAFETY MEASURES AT ENTRY/ EXIT POINT(S)

- i. Adequate arrangements of thermal scanners, sanitizers, face masks should be made available at all entry and exit points, including the reception area.
- ii. Crowding must be avoided at entry/ exit points. Staggered timings of entry and exit with limited strength for different programmes should be followed.
- iii. In case the institution has more than one gate for entry/ exit, all the gates should be used, with adequate care, to avoid crowding.
- iv. Monitoring of the entry and exit of the students should be done.
- v. Screening of students, faculty and staff, wearing of face covers/ mask, sanitizing/washing of hands etc. must be ensured at all entry points.
- vi. Those having symptoms of fever, cough or difficulty in breathing should not be allowed to enter.

5. SAFETY MEASURES AT THE CLASSROOMS AND OTHER LEARNING SITES

- i. Proper sanitization at all learning sites should be ensured. Cleaning and regular of frequently touched surfaces (door knobs, elevator buttons, hand rails, chairs, benches, washroom fixtures, etc.) to be made mandatory in all class rooms,

- v. Wearing of face cover/ mask by all students and staff should be ensured.
- vi. Proper cleanliness should be maintained inside the entire campus.
- vii. Adequate arrangements should be made for sanitizing the entire campus, including administrative and academic buildings, classrooms, laboratories, libraries, common rooms, toilets, water stations, furniture, learning material, teaching aids, sports equipment, computers etc.
- viii. Social distancing should be maintained at all places and crowding must not be allowed at any place under any circumstances.
- ix. An adequate supply of water in toilets and for hand- washing should be ensured.
- x. Dustbins must be cleaned and covered properly.

9. SAFETY MEASURES INSIDE HOSTELS

- i. For those who have tested positive, isolation facilities should be in place either on campus itself or as a prior arrangement with some nearby hospital(s) or as advised by the local authorities
- ii. There should be no crowding in hostel areas where students live in close proximity and share common facilities and utilities. Hence, their numbers need to be limited appropriately to avoid crowding. Also, hostel students should be called in phases.
- iii. Thermal Screening of all resident students should be ensured.
- iv. Density in dining halls, common rooms, playing areas should be limited, keeping in view the requirement of Social distancing.
- v. Hygiene conditions should be regularly monitored in kitchens, dining halls, bathrooms and toilets etc.
- vi. Cleanliness is to be maintained in dining areas. Meals should be served in small

batches, avoiding over-crowding.

- vii. Wearing of face covers/ masks and proper sanitization of hands of the staff engaged for the preparation and distribution of meals should be ensured.

10. REGULAR MONITORING OF HEALTH

- i. Every institution should regularly monitor the health of its students, faculty, and staff.
- ii. Teaching and Non-teaching staff and students with symptom of COVID 19 should not attend college / university
- iii. Faculty, staff and students should also be sensitized on self-monitoring of their health.
- iv. Faculty, Staff and students should submit self-disclosure, if any of their family members have been infected/availed treatment for COVID-19.

11. MEASURES FOR CONTAINMENT

- i. As soon as a student, faculty or staff is detected COVID-19 positive, such person should be immediately isolated as per the directive/advisory of the Government. Room-mates and close contacts should be quarantined and symptomatic ones to be immediately tested.
- ii. Universities and colleges should have a ready plan to provide healthcare support to those resident students and staff who test positive and are isolated.
- iii. The guidelines restricting social and Social contacts and mobility in such parts of residential places in the campus, where positive cases have been found, should be strictly enforced. Measures like holding no class, not leaving the rooms for hostellers, if applicable, no take away arrangement of food from mess etc. may be enforced, depending upon the severity of the situation.

12. SENSITIZATION OF STUDENTS, TEACHERS AND STAFF

- i. Awareness programmes regarding COVID-19 as to how the infection spreads, common symptoms, and precautions and measures required to contain its spread may be launched.
- ii. Maintaining hygiene, e.g., how to wash hands, how to cough or sneeze into a tissue or elbow, avoid touching of face, eyes, mouth and nose should be regularly told to the students and the staff.
- iii. The necessity of Social distancing, wearing face covers/ masks, hygiene etc. should be brought home to all.
- iv. Activities to stay fit, physically and mentally, should be encouraged like doing exercises, yoga, breathing exercises, meditation, etc.
- v. To improve resilience and mental health, students should be encouraged to share their feelings with friends, teachers and parents, remain positive, grateful, helpful, have focused approach, take a break from work, eat healthy and sleep timely etc.
- vi. Eating healthy food and fruits, avoiding junk food, frequently drinking warm water, adopting ways to increase immunity etc. should be encouraged.
